Nav Bharat Nirman
Building of the New India

23 - 24 December 2020

Nav Bharat Nirman (NBN) is a platform for innovative, dedicated, and passionate individuals and nation building organizations to showcase their inventions and innovations for economic growth and societal transformation in inclusive manner for building of the new India. NBN will motivate the ecosystem partners to provide the science centric solutions for various thematic issues and emerging challenges. Participants will get a chance to showcase their innovative methods/ models and systemic approaches of S&T interventions/applications.

ACTIVITIES

A. Plenary Sessions: Igniting Young Minds (upto 45 years of Age group) for Solution Centric STI Interventions

Problem Statements:

1. Building Self-Reliant SMART Villages for Inclusive Growth
2. Agriculture, Post-Harvest Technology & Rural Engineering
3. Innovative Ideas for Habitat & Water Resources Management
4. Promoting Innovative Ecosystem for Affordable Renewable & Clean Energy Solutions
5. Nature Based Solutions - Resource Efficiency & Circular Economy
6. Strategic Climate Action Plan for Sustainable Future

B. Panel Discussions: Role of STI for Aatmanirbhar Bharat: Experience Sharing by Ecosystem Partners

Problem Statements:

1. Effective Pathways for Application & Delivery of Sustainable Technologies (indigenous & advanced) for Livelihoods Gain and Economic Re-growth: Hand-holding at Community level
2. Fostering Public-Private Linkages for Promoting Social Entrepreneurship Ecosystem in Rural Landscape Directed towards Indigenous & Sustainable Technologies- Empowering Community with Equity and Inclusion
